

## **PRESENTATION ON "GARBAGE TO GOLD" BY SHRI SRINIVASAN**

The founder of the N.G.O "Indian Green Service" , Shri Srinivasan, of "Satyamev Jayate" fame gave a presentation on the topic "**Garbage to Gold**" under the mission of making the city of Jodhpur clean and green on 25-09-2014. During his presentation, he explained the usefulness of garbage as a resource and the concept of "Zero Waste Management" and how it was achieved in the city of Vellore and other cities of the country. He also explained how harmful the plastic waste is for the humans and the animals and inspired the audience for not using it. He also presented the steps that would be taken up in Jodhpur in near future to make the Jodhpur a "Zero Waste City". He also discussed the steps that can be taken up in AFRI for making AFRI a zero waste zone.

**Shri N.K.Vasu, Director, AFRI** appreciated the efforts made by Shri Srinivasan and the district authorities for taking up the project of making the Jodhpur clean and assured that AFRI will also do everything required to make the institute a "**Zero Waste Zone**". The Director also appealed to the staff to join the hands in the **Shramdaan Event** for cleaning the institute to be organized at AFRI on the occasion of Mahatma Gandhi Birthday on 2<sup>nd</sup> October 2014.
