

### **Small Scale Industry Tour of SHIATS students organized by CSFER**

A module on one month Industrial training is a part of B.Sc Forestry (VIII<sup>th</sup> Semester) at Sam Higginbottom Institute of Agriculture ,Technology & Sciences (Formerly Allahabad Agricultural Institute). For this purpose twenty students from SHIATS belonging to Nagaland, Meghalaya, Sikkim, M.P, Jharkhand etc. state are working in CSFER under the supervision of Dr.Anita Tomar, Scientist-D and Dr. Anubha Srivastava, Scientist-B.

As a part of training one day field trip to progressive farmer Shri B.D.Singh at Phoolpur in Allahabad was organized by Director CSFER on 1<sup>st</sup> April 2016. The students visited small scale industry established by Sh.B.D. Singh where he prepared various forest products like Aonla & Bel murabba, health tonic from Shatavar and various products pickles. Dr. Anubha Srivastava briefed all the activities to students. During visit Vermi-compost process in sustainable waste management and value addition of *Asparagus racemosus* in manufacture of chyawanprash was live demonstrated step by step by Shri B.D.Singh & his team members. His biogass plant was also visited by the Students. Sh.B.D.Singh, also illustrated the constituents to prepare a Jivanamrit (a biofertilizer) and its uses was highlighted. At the end vote of thanks on behalf of all students was given by Sashita Ekka.
