

Visit of Dr. A. K. Srivastava, DG Forest, MoEF, New Delhi to Extension Stall established at Maha Kumbh-2013, Allahabad

Dr. A. K. Srivastava, DG Forest, MoEF, New Delhi visited the Extension Stall established by CSFER, Allahabad at Maha Kumbh-2013 on 14th February, 2013. Mr. C.B. Nath, Chief Conservator of Forest (Southern), Allahabad, Mr. Anjani Acharya, Conservator of Forest, Allahabad, Mr. Dixit, DFO, Allahabad Forest Division and Mr. A.K. Singh, DFO, Jaunpur Forest Division accompanied him. Mr. M.K. Shukla, Director, CSFER, Allahabad, Dr. Kumud Dubey, Scientist D and Dr. Anita Tomar, Scientist C, Dr. Anubha Srivastav, Research Officer of CSFER, Allahabad were present during the visit. He took interest in the posters and live models displayed in the Exhibition. He appreciated the research works being carried out by the ICFER Institutes and commented that ICFRE is doing excellent work in promotion of forestry research with the objective of enhancing livelihood opportunities to the people and improving the forest productivity. He also complimented DG ICFRE to organize such wonderful informative exhibition.

30/11/2014 - 21/11/2014
 Visited the ICFRE exhibition organized on the eve of Kanha Santhosa. ICFRE has been doing excellent work in promoting forest reserve with the objective of enhancing livelihood opportunities of the public and in improving the forest productivity. My heartfelt congratulations and compliments to DG, ICFRE in venturing research initiatives of ICFRE and particularly in activities, Social forestry & Eco rehabilitation. Appreciate in organizing the wonderful exhibition, well as highly educative and portrays the achievements and outputs of ICFRE including very well. My compliments to Director, ICFRE, Assistant Director, including all the staff and scientists who have worked hard in making the exhibition purposeful.
