

## **Interactive Meeting on Various Issues Pertaining to Quality Parameters of Nursery Stock of Deodar and Ban Oak held at Shimla & Rampur**

The Institute has successfully organized 2 no. **Interactive Meetings** on various issues pertaining to quality parameters of Nursery Stock of Deodar and Ban Oak. First meeting was organized on 19<sup>th</sup> March 2012 at Shimla with senior functionaries of HP State Forest Department and attended by 20 no. participants. Similarly second meeting was organized **on 21<sup>st</sup> March 2012 at Nogli, Rampur** with officers and field functionaries of Rampur Forest Circle which was attended by 22 no. participants. Fruitful discussions were held in both these meetings about quality nursery stock and its utility for enhancing plantation success in difficult areas. In addition discussions were also held on culling of inferior nursery stock in the field.

**Interactions during Shimla meeting**

**Interactions during Nogli, Rampur meeting**
