

WORLD ENVIRONMENT DAY CELEBRATION AT IFGTB

On the occasion of the **World Environment Day** on 5th June 2014, a tree planting programme was organized at IFGTB, Coimbatore. All officers, scientists, staff and research scholars participated in the Environment Day celebration. The Director, addressed the gathering and underscored the need for greening our "mother earth" for mitigating ill effect of climate change and other vagaries of nature. Tree planting was done by the participants in the Forest Campus during this event.

Dr.N.Krishna Kumar, Director, IFGTB addressing the gathering on the Occasion of World Environment Day
