

Inauguration of Training, Extension and Education Centre of IFP, Ranchi

The training, education and extension centre at IFP, Ranchi was inaugurated by Shri Rameshwar Das, *IFS* on 3rd October, 2013 in the presence of Dr S A Ansari, Scientist G and Director, IFP, Ranchi. All scientists, staff and representatives from CPWD were also present on the occasion. The need of well equipped separate wing for housing library, conference hall and training room was long felt and the establishment of this centre is another milestone in the development activities that has taken place at IFP, Ranchi in last few years. Speaking on the occasion Shri Das said that the well established training, extension and education centre will enable the conduction of research and education oriented activities in a more organised way. Dr S A Ansari, Director, IFP, Ranchi expressing his happiness on the occasion told the importance of sound infrastructure in carrying out overall research activities.
