

## **VISIT OF DG, ICFRE TO IWST, BANGALORE**

The Director General, ICFRE, Dehradun, **Shri. K. Jude Sekar** visited Institute of Wood Science and Technology (IWST), Bangalore on the 14<sup>th</sup> of November 2013. He visited the Advanced Wood Working and Training Centre (AWTC), which was developed as a joint venture between Indian Government (IWST), Italian Government (Italian Trade Commission, ICE) & ACIMALL (Italian Woodworking Machines and Tools Manufacturers Association) in 2003 and is now run by the Institute. He was apprised of the trainings courses imparted to students. He had an interaction with the students and a demonstration of the working of the machineries was carried out.
