

Visit of Students from Khoirabari H. S. School, Udalguri, Assam

Twelve numbers of Class XII students from Khoirabari H. S. School, Udalguri, Assam visited RFRI, Jorhat on 9th July, 2012 under the guidance of Dr. Nagen Sarma Barua, Professor, Assam Agricultural University, Jorhat as part of their educational excursion. The Principal and the three Assistant Teachers of the School also accompanied the students. The students were received by Sri R. K. Kalita, Head, Forestry Extension Division. He briefed the visiting students about various research and development activities of RFRI.

The students visited forest nurseries, bamboo germplasm, bambusetum and botanical garden of RFRI. Sri Debojit Neog and Sri Kumud Bora explained about various propagation techniques of bamboo. They also guided the students to bamboo germplasm, bambusetum and botanical garden.
