

Educational Visit of Students from Delhi Public School, ONGC Nazira, Sivasagar (Assam)

A team of 96 students of Class VII of Delhi Public Scholl, ONGC Nazira, Sivasagar District of Assam visited Rain Forest Research Institute, Jorhat on 7th December, 2013 as part of the CBSE Curriculum of the School. The students were accompanied by four teachers, namely, Ms. Sangita Boswas, Ms. Abha Das, Ms. Samata C. Bhattacharjee and Mr. Jayanta Dhekial. The students were received by Sri R. K. Kalita, Head, Forestry Extension Division. He briefed the students about the Institute and its activities.

The students visited Botanical Garden, Bamboo Germplasm & Bambusetum, Nursery and Bamboo Composite Center. The students also had a glimpse of the tissue culture laboratory. Dr. T. C. Bhuyan, Scientist and Sri Nilabh Chandra Das, Research Assistant also guided the students.
