

Visit of Final Year B. Sc. Students from Nowgong College, Nagaon (Assam)

A group of 17 final Year B. Sc. (Botany) students from Nowgong College, Nagaon (Assam) with their teacher visited this Institute from 13th to 15th May, 2014. Sri R. K. Kalita, Head Forestry Extension Division, RFRI, Jorhat received and welcomed the students. He made a detail power point presentation to the students on various R & D activities of the Institute. The students were exposed various theory as well as practicals sessions on bamboo, agar, orchids etc during their stay.

Entire programme was meticulously planned and successfully coordinated by Sri R. K. Kalita, Head, Forestry Extension Division, RFRI, Jorhat.
