

**EXPOSURE VISIT OF TRAINEE FORESTERS FROM  
ASSAM FOREST SCHOOL, JALUKBARI, GUWAHATI  
(ASSAM)**

35 Trainee Foresters from Assam Forest School, Jalukbari, Guwahati visited Rain Forest Research Institute, Jorhat (Assam) on 30<sup>th</sup> September, 2016 as part of their Field Excursion Programme. The team was received by Sri R. K. Kalita, Training Coordinator & Head, Forestry Extension Division of the Institute, who gave a detailed presentation on research and development activities of the Institute. He also delivered another presentation on bamboo and acquainted the trainees with different bamboo development programmes of the Institute.

The trainees later on visited the nursery, bamboo germplasm bank, bambusetum, lac plantation and bamboo composite centre. Mr. Debojit Neog, Research Assistant guided the team to the bambusetum/germplasm bank where he showed various bamboo species present and explained various identifying characters of bamboo. He demonstrated bamboo propagation techniques to the trainees in the bamboo nursery.
