

## **Training on Instrumentation concluded at TFRI, Jabalpur**

A five days training course “**Training on Instrumentation**” was conducted from 26<sup>th</sup> September, 2016, to 30<sup>th</sup> September, 2016 at Tropical Forest Research Institute, Jabalpur as part of skill India programme.

Dr. Avinash Jain, Head, NWFP Division and Training Co-ordinator delivered the five days training report. During the training, lectures on a wide range of instrumentation such as HPLC, HPTLC, ICP, PCR, Gel Electrophoresis, UV-Vis Spectrophotometer, instruments for soil & vegetation analysis, instruments for patho-entomological studies and other important instruments used in routine laboratory works were delivered by various distinguished scientists and invited resource persons. Hands on/ practical demonstrations were given to the learners by expert technical team of TFRI. Exposure visits to NWFP nursery; Plant tissue culture laboratory, Insectary and Museum were also provided to the participants.

During the feedback session the training participants praised and appreciated TFRI for organizing such a nice and diversified training course on instruments which will definitely help the learners, especially the young budding scholars in carrying out research works.

Dr. U. Prakasham, Director, TFRI appreciated the efforts of Training Coordinator and Course Director for successfully organizing the event and all resource persons to enrich the participants with advanced instrumental techniques. He said that this is the era of instruments and knowledge of advanced instruments now a days are very essential for performing the high quality research. He also assured the participants for incorporating their valuable suggestions in the next training programme. He wished the participants well in all their future endeavors.

Certificates were distributed to the participants by Dr. U. Prakasham, Director of the Institute.

During the event, Head of all divisions, Scientist G/ F, Section In-charges and staff of the NWFP Division were present. The programme ended with vote of thanks by Shri Hari Om Saxena, Scientist – C and Course Director. The programme was successfully conducted by Dr. Fatima Shirin, Senior scientist of the Institute.
