

International Day for Biological Diversity on 22 May, 2022.

Commemorating International Day for Biological Diversity, and in line with the 2022 slogan—*Building a shared future for all life*, Forest Ecology and Climate Change Division, Tropical Forest Research Institute, Jabalpur installed earthen water pots on different avenue trees in the campus. Around 20 such earthen water pots were installed to quench the thirst of birds and other arboreal wildlife.

Habitat of Indian Rock Python (*Python molurus*), an IUCN Red list Near Threatened species and Schedule I species under Wildlife (Protection) Act 1972 was demarcated in TFRI campus and mooted for conservation.
