INDIAN COUNCIL OF FORESTRY RESEARCH & EDUCATION, DEHRADUN

Professional Skill Upgradation Trainings under HRD Plan

Trainings for Scientists:

S.N	Topic	Training Types	Dates	Funding Agency
1.	Climate Change modeling with special reference to forest ecosystem	Skill Upgradation Training	2025-26	CAMPA
2.	Forest biometrics and growth modeling	Skill Upgradation Training	2025-26	CAMPA
3.	Statistical Methods in forestry research	Skill Upgradation Training	2025-26	CAMPA
4.	Valuation Quantification of ecosystem services	Skill Upgradation Training	2025-26	CAMPA

Trainings collectively for Scientists & Technical Personnel:

S.N	Topic	Training Types	Dates	Funding Agency
1.	Extension strategies in forestry sector	Skill Upgradation Training	2025-26	CAMPA
2.	Forest genetics resource management & conservation	Skill Upgradation Training	2025-26	CAMPA
3.	Herbarium techniques and digital data base preparation	Skill Upgradation Training	2025-26	CAMPA
4.	Introduction to remote sensing and GIS& their applications in forestry research	Skill Upgradation Training	2025-26	CAMPA
5.	Molecular taxonomy	Skill Upgradation Training	2025-26	CAMPA

Trainings for Technical Personnel:

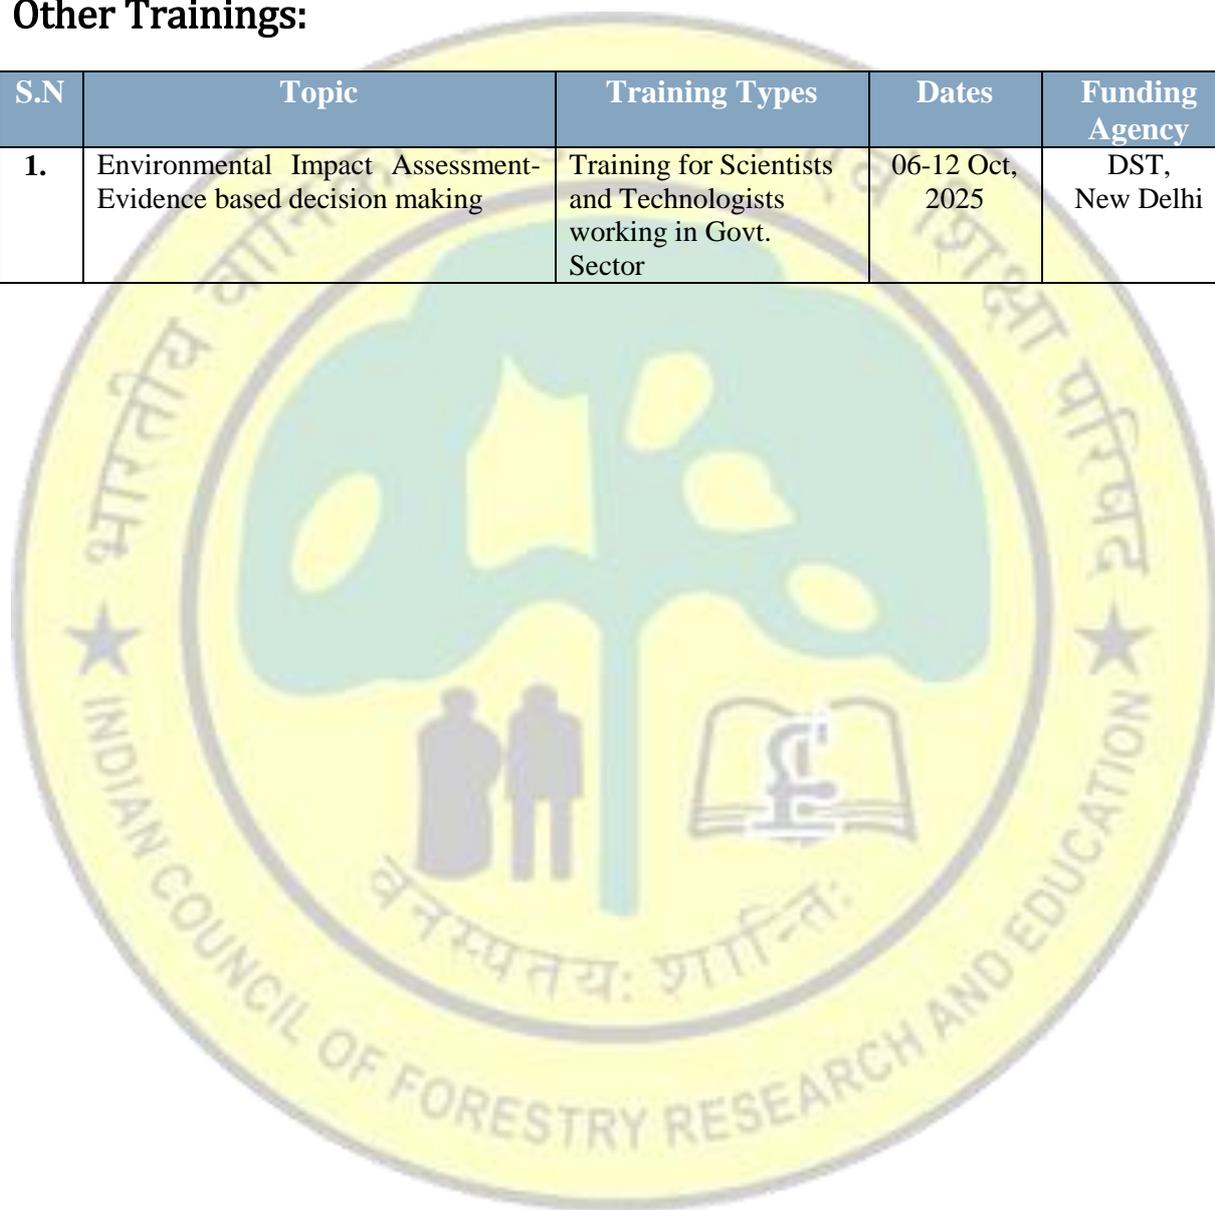

S.N	Topic	Training Types	Dates	Funding Agency
1.	Field survey, data collection, compilation and analysis	Skill Upgradation Training	2025-26	CAMPA
2.	Research Methodology and statistical tools in forestry	Skill Upgradation Training	2025-26	CAMPA

Trainings for Administrative Staff:

S.N	Topic	Training Types	Dates	Funding Agency
1.	Finance, budget and accounts, internal audits and control	Skill Upgradation Training	2025-26	CAMPA

Other Trainings:

S.N	Topic	Training Types	Dates	Funding Agency
1.	Environmental Impact Assessment- Evidence based decision making	Training for Scientists and Technologists working in Govt. Sector	06-12 Oct, 2025	DST, New Delhi

ICFRE-FOREST RESEARCH INSTITUTE, DEHRADUN

The Forest Research Institute, Dehradun is engaged in carrying out educational and research works on different aspects of forestry in the jurisdiction states of Uttarakhand, Uttar Pradesh, Punjab, Haryana, Chandigarh and Delhi. The Institute is involved in carrying out research in four Thrust Areas, including forestry Education and Extension of technological developments of the Indian Council of Forestry Research & Education (ICFRE) and its institutes. The Institute is also pursuing identified priority area of research in 15 Research Initiatives (Themes) suggested by MoEF&CC. The Forest Research Institute, Deemed University is conducting four Master Degree courses and Ph.D programmes in 23 different forestry related disciplines.

Training courses on payment basis:

S.N	Topic	Training Types	Dates	Funding Agency
1.	Production of Quality Planting stocks of <i>Melia dubia</i>	Short Term Training	17-21 Feb, 2026	Paid Training
2.	Harnessing nature's bounty, essential oils & natural dyes for livelihood generation	Low-Cost Short Term Training	21-25 July, 2025	Paid Training
3.	Mass multiplication of bio-control agent <i>Trichoderma</i>	Low-Cost Short Term Training	23-25 July, 2025	Paid Training
4.	Urban tree risk management/hazardous avenue trees	Low-Cost Short Term Training	06-08 Aug, 2025	Paid Training
5.	Butterfly monitoring & Butterfly Inclusive Tourism as a Source of Livelihood	Short Term Training	08-12 Sept, 2025	Paid Training
6.	Identification of forest tree pathogen by amplicon sequencing	Short Term Training	15-19 Sept, 2025	Paid Training
7.	Agro-forestry and marketing	Low-Cost Short Term Training	17-19 Sept, 2025	Paid Training
8.	Seasoning and preservation of Wood and Bamboo	Low-Cost Short Term Training	22-26 Sept, 2025	Paid Training
9.	Plywood Manufacturing	Short Term Training	13-17 Oct, 2025	Paid Training
10.	Edible/medicinal mushroom cultivation	Low-Cost Short Term Training	15-17 Oct, 2025	Paid Training
11.	Wood and Bamboo Preservation	Low-Cost Short Term Training	23-27 Oct, 2025	Paid Training
12.	Wood Coatings	Low-Cost Short Term Training	03-07 Nov, 2025	Paid Training

13.	Conservation and Management of Forest genetic resources (FGRs)	Short Term Training	10-14 Nov, 2025	Paid Training
14.	Skilled development in parataxonomy	Short Term Training	17-21 Nov, 2025	Paid Training
15.	Classified and grading of timer	Short Term Training	24-27 Nov, 2025	Paid Training
16.	Plus Tree Selection and development of SPA's and Seed orchards of Trees of economic Importance	Short Term Training	08-12 Dec, 2025	Paid Training
17.	Vesicular Arbuscular Mycorrhiza (VAM) mass production	Low-Cost Short Term Training	10-12 Dec, 2025	Paid Training
18.	Urban tree stresses and their management	Short Term Training	15-19 Dec, 2025	Paid Training

Other Trainings:

S. N	Topic	Training Types	Dates	Funding Agency
1.	Livelihood opportunities through bamboo handicrafts	Training Under VVK	21 April-02 May, 2025 (Tentative)	CAMPA-Extension

ICFRE-INSTITUTE OF WOOD SCIENCE & TECHNOLOGY, BENGALURU

Institute of Wood Science & Technology (IWST), Bengaluru, one of the Institutes of Indian Council of Forestry Research & Education (ICFRE) was established in 1988. Earlier, the then Government of Mysore had set up a Forest Research Laboratory (FRL) at Bengaluru in 1938. In the initial years, work carried out mainly on properties and uses of different timber species, essential oils, other non-wood forest products and protection of wood and trees from pests and diseases. In 1956, this laboratory was organized as a regional centre of Forest Research Institute and Colleges, Dehradun. In 1977, Sandal Research Centre was set up to undertake research on wide-ranging aspects of Genetics, Silviculture and management of sandal. The Institute is presently catering the need of research and training in various aspects of wood science for Industries, Public and other Stakeholders.

Sr. No.	Topic	Training types	Dates	Funding Agency
A. CONFERENCE				
1.	Wood is Good- Current Trends and Future Prospects in Wood Utilization	International Conference (Proposed)	03 – 05 Dec, 2025	
B. TRAININGS UNDER EKCB SCHEME				
1.	Utilization of <i>Melia dubia</i> for Panel Products	Training of other Stakeholders	14 - 16 July, 2025	MoEF&CC, New Delhi
2.	Wood as a Sustainable Material	One Week Training for IFS Officers	06 – 08 Oct, 2025	MoEF&CC, New Delhi
3.	Bamboo Housing for Sustainable Development	Training of other Stakeholders	10 – 12 Nov, 2025	MoEF&CC, New Delhi
4.	Forest Corporation and Production Forestry	Three Days Training Workshop for IFS Officers	17 – 19 Nov, 2025	MoEF&CC, New Delhi
5.	Understanding Wood Panel Products	Training of other Stakeholders	08 – 10 Dec, 2025	MoEF&CC, New Delhi
C. PAID TRAININGS				
1.	Sandalwood: Farming and Management of its Health	Short term Training	21-25 April, 2025	Paid Training
2.	Micro propagation of Bamboo (Basic training)	Short term Training	21-25 April, 2025	Paid Training
3.	Testing of Formaldehyde Content as per IS: 13745	Short term Training	19-23 May, 2025	Paid Training
4.	Resin Manufacturing Technology	Short term Training	10-12 June, 2025	Paid Training

5.	Testing of Plywood and Block Board as per IS : 303, IS: 710, IS:1328, IS: 4990 & IS 1659	Short term Training	16-20 June, 2025	Paid Training
6.	One day training on sandalwood nursery techniques	Short term Training	17 June, 2025	Paid Training
7.	Sandalwood based Agroforestry Models- Establishment and Plantation Management	Short term Training	18-20 June, 2025	Paid Training
8.	Saw Doctoring	Short term Training	07-09 July, 2025	Paid Training
9.	Low Formaldehyde Amino Resin for Panel Products	Short term Training	16-18 July, 2025	Paid Training
10.	Plywood Manufacturing Technology	Short term Training	05 Aug- 05 Sept, 2025	Paid Training
11.	Plywood Manufacturing Technology	Short term Training	04 Nov – 04 Dec, 2025	Paid Training
12.	Plywood Manufacturing Technology	Short term Training	02 March- 02 April, 2025	Paid Training
13.	Testing of Formaldehyde Content and Emission by Perforator and Desiccator Method	Short term Training	20-22 Aug, 2025	Paid Training
14.	Testing of Plywood, Block Board and Flush Door	Short term Training	01-05 Sept, 2025	Paid Training
15.	Testing of Plywood, Block Board and Flush Door	Short term Training	05-09 Jan, 2025	Paid Training
16.	Wood processing	Short term Training	10-14 Nov, 2025	Paid Training
17.	Preliminary Bamboo Processing	Short term Training	02-06 Feb, 2025	Paid Training
18.	Field Identification of Important Timber	Short term Training	02-06 Feb, 2025	Paid Training
19.	Bamboo Composites	Short term Training	11-13 Aug, 2025	Paid Training
20.	Bamboo Housing	Short term Training	15-19 Sept, 2025	Paid Training
21.	Veneering	Short term Training	24-26 Feb, 2025	Paid Training

ICFRE-ARID FOREST RESEARCH INSTITUTE, JODHPUR

Arid Forest Research Institute has been established since 1988 to cater the forestry needs of the arid and semi-arid region of Rajasthan, Gujarat & Dadar Nagar Haveli & Daman-Diu.

The institute is situated on Jodhpur, Pali Raod in beautiful campus spreading over 20.82 hectare area housing office building, laboratories, library cum information centre, community centre, guest house, scientist hostel and residential quarters. It is known for its contribution of research & Development in various domains of forestry in arid & semi-arid areas of country.

Sr. No.	Topic	Training types	Dates	Funding Agency
A.	TRAININGS UNDER EKCB SCHEME			
1.	Climate smart Agro-forestry and Forest	Training of other Stakeholders	07-09 May, 2025	MoEF&CC, New Delhi
2.	Integrated approach for sustainable development of fragile desert ecosystem	Three Days Training Workshop for IFS Officers	06-08 Aug, 2025	MoEF&CC, New Delhi
3.	Climate smart Agro-forestry and Forest	Training of other Stakeholders	07-09 Oct, 2025	MoEF&CC, New Delhi
4.	Role of forest in soil and water conservation	Training of Personnel of other service	12-14 Nov, 2025	MoEF&CC, New Delhi
5.	Integrated approach for sustainable development of fragile desert ecosystem	One Week Training for IFS Officers	12-16 Jan, 2026	MoEF&CC, New Delhi
B.	OTHER TRAININGS			
1.	Rewilding of degraded dry land	Training Under VVK	24-26 June, 2025	CAMPA-Extension
2.	Quality planting materials and Agro-forestry	Training Under VVK	18-20 Nov, 2025	CAMPA-Extension
3.	Industrial tree crops production	Training Under VVK	9-11 Dec, 2025	CAMPA-Extension
4.	Forests and Livelihood	Training Under VVK	12-14 Feb, 2026	CAMPA-Extension
5.	Biological Pest Control: Training on Entomopathogenic Fungi Applications	Training for other stakeholders	14-16 May, 2025	CAMPA-Extension
6.	Sustainable Termite Management: Techniques and Best Practices	Training for other stakeholders	27-29 May, 2025	CAMPA-Extension
7.	Insect pest collection, handling, preservation and Identification	Training for other stakeholders	18-20 June, 2025	CAMPA-Extension

8.	Botanicals extraction and formulation as Eco-friendly management of insect-pests of forest nursery	Training for other stakeholders	20-22 Aug, 2025	CAMPA-Extension
9.	Capacity building of tribal's for Post-Harvest Management practices and value addition of lesser known NTFPs in Rajasthan	Training for other stakeholders	10-12 Sept, 2025	CAMPA-Extension
10.	Identifying and Utilizing Biological Control Agents in Pest Management	Training for other stakeholders	29-31 Oct, 2025	CAMPA-Extension
11.	Preparation Trichoderma-Enriched Vermi-compost for Eco-Friendly Disease Control	Training for other stakeholders	12-14 Nov, 2025	CAMPA-Extension
12.	Awareness on Importance of insect pollinators and their role in pollination of trees/crops	Training for other stakeholders	03-04 Dec, 2025	CAMPA-Extension
13.	Endophytic Entomopathogenic fungi application in seedlings for termite management	Training for SFD Staff	24 Aug, 2025 (tentative)	SFD Rajasthan

ICFRE-TROPICAL FOREST RESEARCH INSTITUTE, JABALPUR

The Tropical Forest Research Institute, Jabalpur is one of the eight regional institutes under the Indian Council of Forestry Research & Education, Dehradun. The Institute came into existence in April 1988, although its origin goes back to 1973 when a Regional Centre of Forest Research Institute, Dehradun was established at Jabalpur to provide research support to the problems of forest management in central India. The Institute has not only steadily advanced in terms of infrastructure but also specialized itself as a major nucleus for research on forestry and ecology related problems of tropical forests of the central region comprising of the states of Madhya Pradesh, Chhattisgarh, Maharashtra and Orissa.

S. N	Topic	Training Types	Dates	Funding Agency
1.	Candidate plus Tree Selection of Timber and Non Timber Species	Training for SFD Staff	July, 2025	Chhattisgarh Forest Department
2.	Quality Plant Production of Forestry Species and Agro forestry Management	Training for SFD Staff	26-30 May, 2025	Maharashtra Forest Department
3.	Quality Plant Production of Forestry Species and Agro forestry Management	Training for SFD Staff	2-6 June, 2025	Maharashtra Forest Department
4.	Introduction to Remote sensing and GIS with application in forestry.	Training for SFD Staff (Proposed)	2025-26	Chhattisgarh Forest Department
5.	Eco-restoration of degraded lands	Training for SFD Staff (Proposed)	2025-26	Chhattisgarh Forest Department
6.	Soil Collection and analysis	Training for SFD Staff (Proposed)	2025-26	Chhattisgarh Forest Department
7.	Agro-forestry & its Management for livelihood Security	Training for SFD Staff (Proposed)	Sept, 2025	Chhattisgarh Forest Department
8.	Candidate Plus Tree Selection of Timber and Non-timber Species	Training for SFD Staff (Proposed)	2025-26	Chhattisgarh Forest Department
9.	Establishment and Management of Progeny trials, Seed Production Areas (SPAs) and Seed Orchards (SSOs & CSOs)	Training for SFD Staff (Proposed)	2025-26	Chhattisgarh Forest Department
10.	Conservation and Propagation techniques of RET and Economically Important Species	Training for SFD Staff (Proposed)	2025-26	Chhattisgarh Forest Department
11.	Sustainable management of NTFPs/ medicinal plants for livelihood security	Training for SFD Staff (Proposed)	Aug, 2025	Chhattisgarh Forest Department
12.	Improved propagation/ cultivation and	Training for	Oct, 2025	Chhattisgarh

	processing techniques of NTFPs/ medicinal plant species for livelihood augmentation	SFD Staff (Proposed)		Forest Department
13.	Propagation techniques and quality plant production of threatened NTFP/ medicinal plant species for their conservation	Training for SFD Staff (Proposed)	2025-26	Chhattisgarh Forest Department
14.	Non-Timber Forest Produce value addition and assessment	Training for SFD Staff (Proposed)	2025-26	Chhattisgarh Forest Department
15.	Seed and Nursery Technologies for difficult to propagate Rare, Endangered and Threatened Plant Species	Training for SFD Staff (Proposed)	May, 25	Chhattisgarh Forest Department
16.	Towards Coexistence: Propagation, Conservation and Management of Wild Fruiting Species in the Face of Human-Wildlife Conflict	Training for SFD Staff (Proposed)	June, 25	Chhattisgarh Forest Department
17.	Seed Handling and Quality Management in Forestry	Workshop (Proposed)	2025-26	-
18.	Wild Fruits for Livelihood: Propagation, Conservation & Value Addition	Workshop (Proposed)	2025-26	-
19.	Mycorrhizae in Forestry: A Natural Pathway for sustainable Plant Growth and Ecosystem Restoration.	Seminar (Proposed)	Nov, 2025	ICFRE/MPSFD
PAID TRAININGS				
1.	Bio-fertilizer and Organic Fertilizer Mass production techniques	Short term Training	Feb, 2026	Paid Training
2.	Detection and diagnosis of forest pest and diseases	Short term Training	Feb, 2026	Paid Training
3.	Mushroom cultivation techniques for beginners	Short term Training	Jan, 2026	Paid Training

ICFRE-HIMALAYAN FOREST RESEARCH INSTITUTE, SHIMLA

Himalayan Forest Research Institute (HFRI), Shimla was established as High Level Conifer Regeneration Research Centre during May, 1977 for carrying out Research on problem associated with natural regeneration of Silver Fir and Spruce. The Institute made its humble beginning from this Centre and at the time of re-organization of forestry research in India it was upgraded in to full-fledged research institute of ICFRE in 1988. The HFRI carry out research on the issues of high altitude forests.

Sr. No.	Topic	Training types	Dates	Funding Agency
A.	TRAININGS UNDER EKCB SCHEME			
1.	Diversity, conservation, utilization, and marketing of medicinal plants of North Western Himalayan Region	Training of other Stakeholders	10-12 Sept, 2025	MoEF&CC, New Delhi
2.	Seed Nursery and Plantation Techniques of Oak Species	Training of other Stakeholders	22-24 Oct, 2025	MoEF&CC, New Delhi
B.	OTHER TRAININGS			
1.	Capacity building training programme for Field functionaries of HP State Forest Department	Training for SFD Staff	May, 2025	HPFD State CAMPA
2.	Training on seed collection, handling and nursery practices of important multi-purpose plantation species of Himachal Pradesh	Training for other stakeholders	3 rd June, 2025	HP-Integrated project Development, Solan
3.	Capacity building training programme for field functionaries of HP State Forest Department	Training for SFD Staff	June, 2025	HPFD State CAMPA
4.	Training on seed collection, handling and nursery practices of important multi-purpose plantation species of Himachal Pradesh	Training for other stakeholders	1 st July, 2025	HP-Integrated project Development, Solan
5.	Application of mycorrhiza in producing planting stock of conifers	Training for other stakeholders	July, 2025	ICFRE-PLAN (Fir and Spruce)
6.	Capacity building training programme for field functionaries of HP State Forest Department	Training for SFD Staff	July, 2025	HPFD State CAMPA
7.	Capacity Building of Stakeholders on Seed and Nursery Techniques of Important Temperate Forestry Species	Training for SFD Staff	28 th Aug, 2025	JICA-HPFD
8.	Capacity building training for establishment of modern nursery and use of mycorrhizal biotechnology for production of plantation material.	Training for SFD Staff	Aug, 2025	Himachal Pradesh Forest Department under CAMPA

9.	Capacity building training programme for frontline staff of Himachal Pradesh Forest Department	Training for SFD Staff	1-3 Sept, 2025	Under HATZ Project
10.	Biodiversity Conservation and Management	Training for Other Stakeholders	23-25 Sept, 2025	HPFD, Himachal Pradesh
11.	Eco-friendly management practices against insect pest fauna of Forests of North western Himalaya	Training for Other Stakeholders	Sept, 2025	EAP/PLAN
12.	Training on Sustainable Livelihood Practices Using Native Willows in the Cold Desert Region of the Northwestern Himalayas	Training for Other Stakeholders	4 th Nov, 2025	PLAN
13.	Taxonomy and diversity of Insect Fauna	Training for Other Stakeholders	Jan, 2026	EAP/PLAN
14.	Conservation of biological resources including medicinal plants	Training for Other Stakeholders	20 th Feb, 2026	EAP/PLAN

ICFRE-INSTITUTE OF FOREST GENETICS & TREE BREEDING, COIMBATORE

The Institute of Forest Genetics and Tree Breeding (IFGTB) is a national Institute established in April, 1988 under the Indian Council of Forestry Research (ICFR). It is a multi-faceted research Institute primarily aimed to carry out research to improve productivity of forest tree species through conventional breeding programmes and biotechnological interventions. Mainstream research carried out by the Genetics and Biotechnology divisions is supported by Silviculture, Seed technology, Protection (Entomology & Pathology), Agro-forestry and Bio-diversity divisions.

Sr. No.	Topic	Training types	Dates	Funding Agency
A.	TRAININGS UNDER EKCB SCHEME			
1.	Multi-functional Agro-forestry systems: Balancing Food-Wood Security and Environmental sustainability	Training of other Stakeholders	17-19 July, 2025	MoEF&CC, New Delhi
B.	OTHER TRAININGS			
1.	Training on 'Tissue Culture based Teak cultivation techniques for farmers from Coimbatore & Tirupur districts.	Training for Other Stakeholders	June, 2025	CAMPA
2.	Hands on training on "Clonal technology in tree species" for officials of TNFD	Training for SFD Staff	June, 2025	CAMPA
3.	Tree Growers Mela at Karur	Mela	June, 2025	CAMPA
4.	Students nature connect program for government school students	Training for Other Stakeholders	June, 2025	CAMPA
5.	Training on Cultivation of Important Tree species" for farmers of Thalamalai area	Training for Other Stakeholders	July, 2025	CAMPA
6.	Creating awareness on Nature and Environmental Conservation to Govt. School students of Tamil Nadu	Awareness Program	July, 2025	CAMPA
7.	Training on "Agroforestry models for higher economic returns" for farmers of Viruthunagar district	Training for Other Stakeholders	Aug, 2025	CAMPA
8.	Training on "Cultivation techniques of important Tree Species suitable for coastal region" for farmers at Karaikal	Training for Other Stakeholders	Aug, 2025	CAMPA
9.	Field visit to nearby forest/protected areas for creating awareness on Biodiversity Conservation and Nature walk for students	Exposure visit	Aug, 2025	CAMPA
10.	Training on "Cultivation techniques of important Tree Species suitable for coastal region" for farmers at Karaikal	Training for Other Stakeholders	Sept, 2025	CAMPA
11.	Training on "Prospects of Red Sanders cultivation for farmers, field functionaries of TNFD in Sivagangai district	Training for SFD Staff	Sept, 2025	CAMPA

12.	Training on “Cultivation techniques of commercially important Tree Species” for farmers at KVK Tiruppur district	Training for Other Stakeholders	Oct, 2025	CAMPA
13.	Training on “Tissue Culture based Teak cultivation techniques” for farmers from various districts of Tamil Nadu	Training for Other Stakeholders	Oct, 2025	CAMPA
14.	Creating awareness on Nature and Environmental Conservation to Govt. School students of Tamil Nadu	Awareness Program	Oct, 2025	CAMPA
15.	Training on “Cultivation techniques of Commercially important Tree Species” for farmers at KVK Pudukkottai district	Training for Other Stakeholders	Nov, 2025	CAMPA
16.	Training program on Agro-forestry models for farmers at D.Gudalur, Dindigul districts	Training for Other Stakeholders	Nov, 2025	CAMPA
17.	Field visit to nearby forest/protected areas for creating awareness on Biodiversity Conservation and Nature Walk for students	Exposure visit	Nov, 2025	CAMPA
18.	Training on “Cultivation techniques of Commercially important Tree Species” for farmers at KVK Cuddalore district	Training for Other Stakeholders	Dec, 2025	CAMPA
19.	Training on “Agroforestry models for higher economic returns” for farmers at Dharmapur district in collaboration with KVK Papparappatti, Dharmapuri	Training for Other Stakeholders	Dec, 2025	CAMPA
20.	Tree Growers Mela at Namakkal	Mela	Jan, 2026	CAMPA
21.	Tree Growers Mela (TGM) at A&N/ Lakshadweep	Mela	Feb, 2026	PLAN
22.	One day training on Modern techniques in Vegetative propagation to 30 staff of SFD, Tamilnadu	Training for SFD Staff	Jan, 2026	CAMPA
23.	Field visit to nearby forest/protected areas for creating awareness on Biodiversity Conservation and Nature walk for students	Exposure visit	Feb, 2026	CAMPA
24.	Training on Pulpwood species of Casuarina clones for farmers of Tirunelveli district	Training for Other Stakeholders	Feb, 2026	CAMPA
25.	Creating awareness on Nature and Environmental Conservation to Govt. School students of Tamil Nadu	Awareness program	Feb, 2026	CAMPA

ICFRE-INSTITUTE OF FOREST PRODUCTIVITY, RANCHI

Encompassing the picturesque eastern Himalayas in Sikkim and North Bengal, the fertile alluvial expanse of Indo-Gangetic plains in Bihar and West Bengal, deltaic and coastal mangroves of the world famous Sunderbans, a pocket of Tarai Sal forest in the north west corner of Bihar and tropical deciduous forests of Kaimur and Chhota Nagpur plateau overlaying rich and enticing mineral resources within its jurisdiction, the Institute of Forest Productivity is a premier forestry research organization catering to the forestry research needs of eastern India. Its jurisdiction includes Jharkhand, West Bengal, Bihar and Odisha. The Institute is engaged in research and capacity building in forestry issues in its jurisdiction.

Sr. No.	Topic	Training types	Dates	Funding Agency
A.	TRAININGS UNDER EKCB SCHEME			
1.	Sustainable Land Management and Eco-restoration	Training for Personnel of other services	10-12 Dec, 2025	MoEF&CC, New Delhi
B.	OTHER TRAININGS			
1.	Vermi-composting techniques and methods. (VVK-Jadua)	Training under VVK	June, 2025	CAMPA Extension
2.	NTFP Collection, Value addition and marketing (VVK-Sukna)	Training under VVK	June, 2025	CAMPA Extension
3.	Bamboo propagation and plantation techniques (VVK-Banka)	Training under VVK	June, 2025	CAMPA Extension
4.	Climate resilient farming system for Lac production and processing (DV)	Training for other Stakeholders	June, 2025	CAMPA Extension
5.	Value addition and processing of wild edible fruits. (DV)	Training for other Stakeholders	June, 2025	CAMPA Extension
6.	Livelihood generation through Medicinal Plants. (VVK-Sukna)	Training under VVK	July, 2025	CAMPA Extension
7.	Vermi-composting techniques and methods (DV)	Training for other Stakeholders	July, 2025	CAMPA Extension
8.	Scientific methods of lac cultivation in Jharkhand. (VVK-Jadua)	Training under VVK	Aug, 2025	CAMPA Extension
9.	Agroforestry System (VVK-Banka)	Training under VVK	Aug, 2025	CAMPA Extension
10.	Promoting awareness on soil health. (DV)	Training for other Stakeholders	Sept, 2025	CAMPA Extension

11.	Bamboo propagation and plantation techniques (VVK-Sukna)	Training under VVK	Oct, 2025	CAMPA Extension
12.	Promoting <i>Flemingia spp.</i> as alternate Lac insect host for mitigating the effect of climate change for Lac production. (DV)	Training for other Stakeholders	Oct, 2025	CAMPA Extension
13.	Livelihood generation through Medicinal Plants. (VVK-Banka)	Training under VVK	Nov, 2025	CAMPA Extension
14.	Agroforestry practices in combination with Melia spa. (VVK-Jadua)	Training under VVK	Dec, 2025	CAMPA Extension
15.	Demonstration of Miyawaki plantation for developing green spaces (DV)	Training for other Stakeholders	Dec, 2025	CAMPA Extension
16.	Cultivation of medicinal plants for enhancing rural economy (VVK-Sukna)	Training under VVK	Jan, 2026	CAMPA Extension
17.	Enhancing rural livelihood through agroforestry (VVK-Jadua)	Training under VVK	Jan, 2026	CAMPA Extension
18.	हर घर, हर मौसम, हरा चारा: वानिकी आधारित साईलेज उत्पादन (DV)	Training for other Stakeholders	Feb, 2026	CAMPA Extension
19.	Mahogany based agro-forestry package of practice for Jharkhand (DV)	Training for other Stakeholders	Mar, 2026	CAMPA Extension

ICFRE-RAIN FOREST RESEARCH INSTITUTE, JORHAT

Rain Forest Research Institute (RFRI), Jorhat, Assam is one of the constituent institutes of Indian Council of Forestry Research and Education (ICFRE), Dehradun. The institute came into existence in 1988 to cater the forestry related research & extension needs of the North-Eastern Region of the country. The Institute encompasses of all the disciplines of forestry research. Recently an Advanced Research Centre for Bamboo and Rattan (ARCBAR) has also been established at Aizawl in Mizoram under this institute.

Sr. No.	Topic	Training types	Dates	Funding Agency
A.	TRAININGS UNDER EKCB SCHEME			
1.	Preparation of Ecosystem Health Card	Three Days Training Workshop for IFS Officers	26-28 May, 2025	MoEF&CC, New Delhi
2.	Forestry in addressing livelihood issues of people of North Eastern States	Training of other Stakeholders	23-25 July, 2025	MoEF&CC, New Delhi
3.	Junior Ranger: Connecting Students with Nature	Training of other Stakeholders	20-22 Aug, 2025	MoEF&CC, New Delhi
4.	Sensitization on propagation, cultivation and management of different species of bamboo, Bamboo improvement works, Bamboo product diversification, Bamboo value addition for sustainable livelihood, marketing linkages for sale of Bamboo products, Bamboo value chain traditional and modern. (Class-II/III Officers)	Training for Personnel of other services	28-30 Oct, 2025	MoEF&CC, New Delhi
5.	Forestry in addressing livelihood issues of people of North Eastern States	Training of other Stakeholders	26-28 Nov, 2025	MoEF&CC, New Delhi
6.	Bamboo Resource Development for Addressing Livelihood Concerns of Communities	One Week Training for IFS Officers	01-05 Dec, 2025	MoEF&CC, New Delhi
7.	Sensitization on propagation, cultivation and management of different species of bamboo, Bamboo improvement works, Bamboo product diversification, Bamboo value addition for sustainable livelihood, marketing linkages for sale of Bamboo products, Bamboo value chain traditional and modern. Services (Class-I Officers)	Training for Personnel of other services	07-09 Jan, 2026	MoEF&CC, New Delhi
B.	OTHER TRAININGS			
1.	Bamboo Shoot Processing and Value Addition	Training of other Stakeholders	30 Apr to 02 May,	MoA&FW, New Delhi

			2025	
2.	Bamboo Shoot Processing and Value Addition	Training of other Stakeholders	11-13 June, 2025	MoA&FW, New Delhi
3.	Skill Development Training on Agarwood Cultivation and Artificial Inoculation	Training of other Stakeholders	25-27 June, 2025	
4.	Bamboo Shoot Processing and Value Addition	Training of other Stakeholders	02-04 July, 2025	MoA&FW, New Delhi
5.	Bamboo Shoot Processing and Value Addition	Training of other Stakeholders	30 July to 01 Aug, 2025	MoA&FW, New Delhi
6.	Bamboo Shoot Processing and Value Addition	Training of other Stakeholders	01-03 Sept, 2025	MoA&FW, New Delhi
7.	Role of Forestry in Sustainable Development of People	Training of other Stakeholders	08-12 Sept, 2025	DST, New Delhi
8.	Skill Development Training on Agarwood cultivation and Artificial Inoculation	Training of other Stakeholders	17-19 Sept, 2025	
9.	Bamboo Shoot Processing and Value Addition	Training of other Stakeholders	08-10 Oct, 2025	MoA&FW, New Delhi
10.	Bamboo Shoot Processing and Value Addition	Training of other Stakeholders	03-05 Nov, 2025	MoA&FW, New Delhi
11.	Bamboo Resource Development for Addressing Livelihood Concerns of Communities	Training of other Stakeholders	10-14 Nov, 2025	DST, New Delhi
12.	Bamboo Shoot Processing and Value Addition	Training of other Stakeholders	17-19 Dec, 2025	MoA&FW, New Delhi
13.	Skill Development Training on Agarwood cultivation and Artificial Inoculation	Training of other Stakeholders	20-22 Jan, 2026	
14.	Bamboo Shoot Processing and Value Addition	Training of other Stakeholders	27-29 Jan, 2026	MoA&FW, New Delhi
15.	Bamboo Shoot Processing and Value Addition	Training of other Stakeholders	11-13 Feb, 2026	MoA&FW, New Delhi

ICFRE-LEC, AGARTALA (TRIPURA)

S. N.	Topic	Training	Date	Funding agency
1.	Training on Bamboo Propagation and Nursery Management	Training for other stakeholders	14 May, 2025	ICFRE
2.	Skill development on bamboo handicrafts for livelihood development	Workshop	20-24 May, 2025	ICFRE
3.	Training on low-cost Vermi-composting techniques	Training for other stakeholders	04 th June, 2025	ICFRE
4.	Training on Bamboo Propagation and Nursery Management	Training for other stakeholders	27 June, 2025	ICFRE
5.	Bamboo propagation, nursery management and Vermi-composting	Training for other stakeholders	08 Aug, 2025	ICFRE
6.	Skill Development on Bamboo Utility Products	Workshop	26-30 Aug, 2025	ICFRE

7.	Training on low-cost Vermi-composting techniques	Training for other stakeholders	12 Sept, 2025	ICFRE
8.	Training on Bamboo propagation, nursery management and Vermi-composting	Training for other stakeholders	08 Nov, 2025	Collaboration with YFI (NGO)
9.	Training on low-cost Vermi-composting techniques	Training for other stakeholders	05 Dec, 2025	Collaboration with SeSTA (NGO)
10.	Training on Basic Statistics and Sampling Techniques in Forestry	Training for other stakeholders	08 Jan, 2026	TSFA
11.	Training cum workshop programme on “Establishment of Herbal Home Gardens and Traditional Health Care”	Workshop	17-19 Feb, 2026	ICFRE

ICFRE-BRC, AIZAWL (MIZORAM)

S. N.	Topic	Training	Date	Funding agency
1.	One week training on Bamboo Furniture, Handicrafts & Architecture	Training under VVK	June, 2025	ICFRE
2.	One week training on Orchids, Mushrooms and Bamboo Shoot	Training under VVK	July, 2025	ICFRE
3.	One week training on Vermi-composting, Bamboo propagation, Bamboo Charcoal	Training under VVK	Aug, 2025	ICFRE
4.	One week training for generating livelihood via Apiculture and Nursery management	Training under VVK	Sept, 2025	ICFRE
5.	One week training on Bamboo based value added products	Training under VVK	Oct, 2025	ICFRE

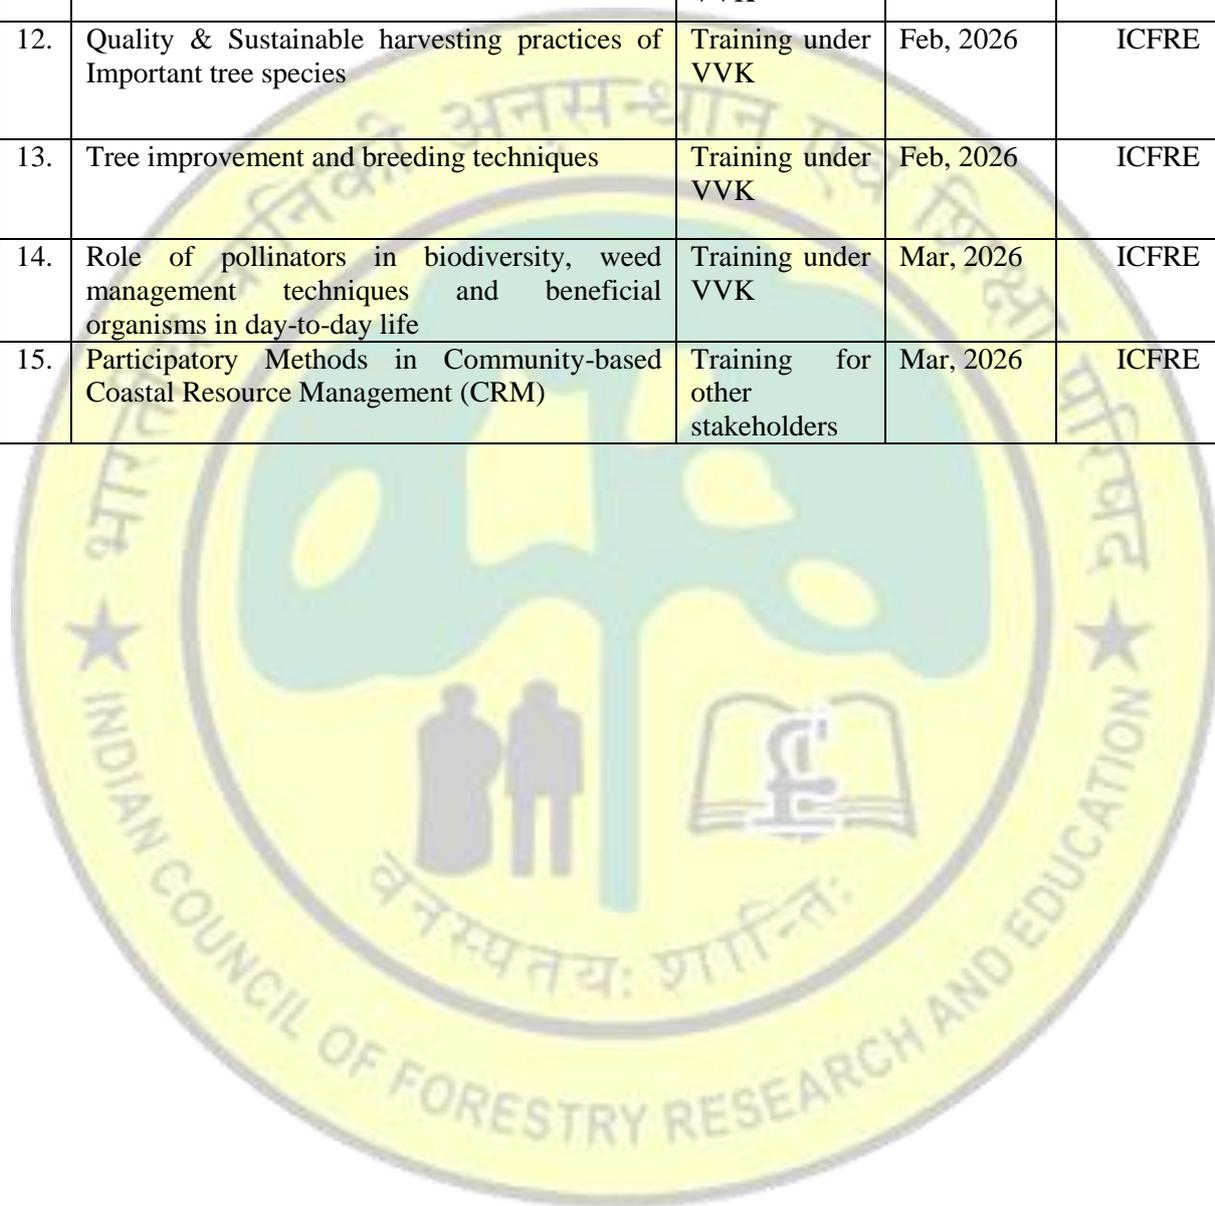

ICFRE-INSTITUTE OF FOREST BIODIVERSITY, HYDERABAD

The Institute of Forest Biodiversity was established during December 2012 vide ICFRE order no. 58-21/XLVII/2012-ICFRE dated 7th December 2012, by upgradation of the erstwhile Forest Research Centre, Hyderabad.

The Institute is located at Dulapally, and spread over an area of one hundred acres, the Institute has the necessary infrastructure viz., administrative block, three laboratories (molecular genetics, tissue culture and soil science), library, field trial areas (comprising germplasm banks, seedling seed orchards, and agroforestry models), nursery area (complete with shade houses and mist chamber) to take up research and development projects on the biodiversity. The Institute has a field station spread over sixty acres at Mulug, Hyderabad.

Sr. No.	Topic	Training types	Dates	Funding Agency
A. TRAININGS UNDER EKCB SCHEME				
1.	Quality Planting Material Production in forest nursery	Training for other Stakeholders	28-30 July, 2025	MoEF&CC, New Delhi
2.	Conservation, value addition and marketing of Non-Timber Forest Products (NTFPs) cum Medicinal Plants	Training for other Stakeholders	11-13 Nov, 2025	MoEF&CC, New Delhi
B. OTHER TRAININGS				
1.	Insect pest of forest nurseries plantation and their management	Training under VVK	June, 2025	ICFRE
2.	Quality Planting Material Production of commercially important tree species Red sanders, <i>Eucalyptus</i> , <i>Casuarina</i> etc.	Training under VVK	June, 2025	ICFRE
3.	Wetland degradation causes and mitigation strategies	Training for other Stakeholders	June, 2025	ICFRE
4.	Nursery techniques for NTFP cum Medical plants for Empowering tribal communities of Sundhargarh, Odisha through value addition and sustainable utilization of Forest resources	Training under VVK	Aug, 2025	ICFRE
5.	Promoting Urban Biodiversity through Green Spaces, Urban Forests, and Pollinator friendly Practices	Training for other Stakeholders	Sept, 2025	ICFRE
6.	Documentation & Management of Habitat trees	Training under VVK	Oct, 2025	ICFRE
7.	High yielding hybrid clones of Casuarina	Training under VVK	Nov, 2025	ICFRE

8.	Studies on ethno-insecticidal plants & Biological control strategies for managing forest insect pests	Training under VVK	Nov, 2025	ICFRE
9.	<i>Gmelina arborea</i> based agro-forestry model	Training under VVK	Dec, 2025	ICFRE
10.	Importance and Management of Wetlands and their Biodiversity	Training under VVK	Jan, 2026	ICFRE
11.	Access and benefit-sharing (ABS)	Training under VVK	Jan, 2026	ICFRE
12.	Quality & Sustainable harvesting practices of Important tree species	Training under VVK	Feb, 2026	ICFRE
13.	Tree improvement and breeding techniques	Training under VVK	Feb, 2026	ICFRE
14.	Role of pollinators in biodiversity, weed management techniques and beneficial organisms in day-to-day life	Training under VVK	Mar, 2026	ICFRE
15.	Participatory Methods in Community-based Coastal Resource Management (CRM)	Training for other stakeholders	Mar, 2026	ICFRE
