

## **WORLD ENVIRONMENT DAY**

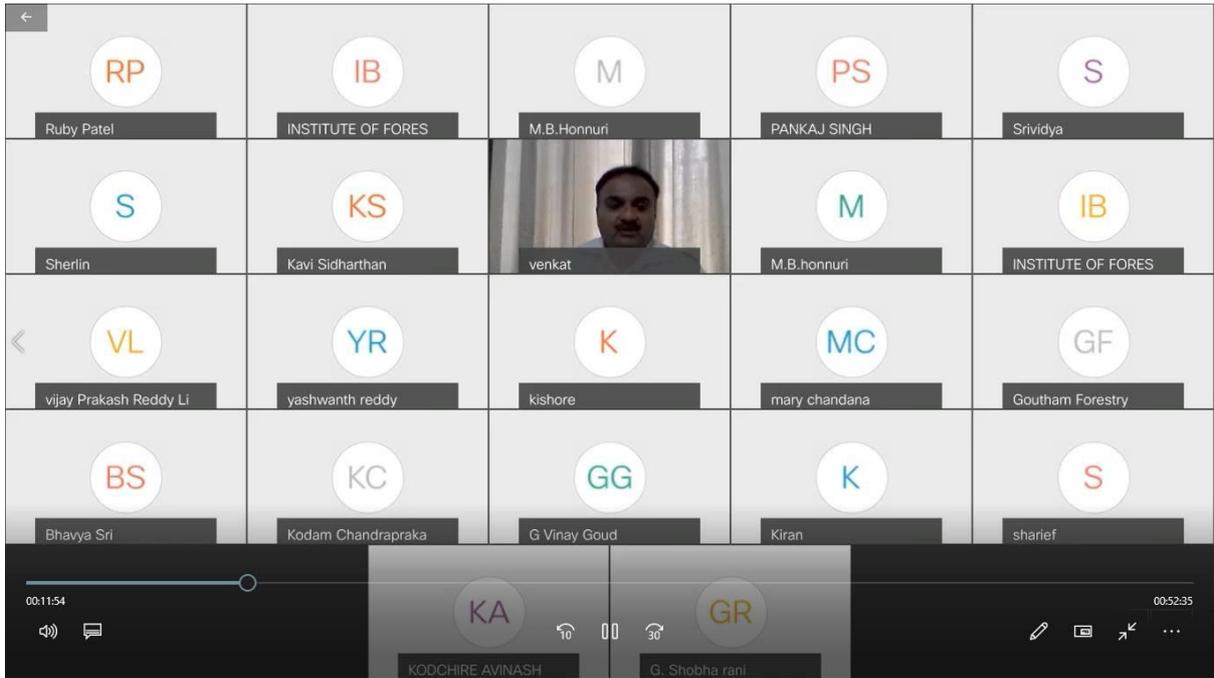

**INSTITUTE OF FOREST BIODIVERSITY (IFB), HYDERABAD**

**June 8<sup>th</sup>, 2022**

### **A Report on Talk on World Environment Day organized on 05 June 2022 under Azadi Ka Amrit Mahotsav for week 04 June 2022 to 10 June 2022**

The Institute of Forest Biodiversity, Hyderabad organized a program on World Environment Day on 05 June 2022 through virtual mode under the Azadi ka Amrit Mahotsav for the week 04 June 2022 to 10 June 2022.

The celebration of the event started on 03.05.2022, with Essay Competition. On 05.06.2022, the program was initiated with a welcome address by Shri. E. Venkat Reddy, IFS, Head Extension, then spoke various environmental problems that are being faced today. He described about the evolution of earth and the causes of environmental pollution that are threatening the existence of life on earth. He explained about various environmental regulations and legislations to control and prevent pollution in India and abroad. He has suggested various environmental and alternate economic models for sustainable management of resources and reduction of pollution on earth. After which the program was concluded with the closing remarks by Shri. E. Venkat Reddy, IFS. All the scientists, officers, and staff of IFB and FRCCE Vizag participated in the program. The following day, a plantation drive was organized in the campus, where all the officers, scientists, and staff participated in the plantation.
