

**TRAINING CUM WORKSHOP ON ESTABLISHMENT OF HERBAL
HOME GARDENS AND TRADITIONAL HEALTH CARE AT FRCLE,
AGARTALA FROM 04.01.2022 TO 05.01.2022**

A two days Training cum Workshop on “Establishment of Herbal Home Gardens and Traditional Health Care” was organized by Forest Research Centre for Livelihood Extension, Agartala from 04-05 January at FRCLE campus. All together 30 participants from different corners of Tripura representing this field attended the training cum workshop programme. The participants were selected and nominated through YFI (Youth For Integration), a Tripura based NGO.

On 1st day of training programme, after the registration of the participants, inaugural session had started with the welcome address of Shri Niren Das, ACTO & Training coordinator, FRCLE, Agartala followed by the introduction of trainee. Shri Das briefed the objective and need for the present training programme. Dr. Achintya Kumar Deb, Ayurveda socialist and In charge of Panchakarma Research and Training Centre, Tripura is invited as Chief Guest. Dr. Deb delivered a detail presentation on this topic and also interacted with the participants. The training will be imparted by 4 eminent persons from Vaidyaraj Herbal Growers Society, Netaji Nagar, Kanchanpur. During the training period, a field visit and onspot identification and uses of medicinal plants was conducted. An Herbal home garden also established at FRCLE campus with 35 collected medicinal plants. The valedictory session was conducted on 05 January, 2023. An interaction session was held with the participants and taken participants’ feedback. The session ended with distribution of Certificate to participants.

Glimpses of the Training cum workshop Programme
