

## Report on Prakriti Program organized at Jawahar Navodaya Vidyalaya, Kothipura, Bilaspur, H.P.

जवाहर नवोदय विद्यालय, कोठीपुरा, बिलासपुर, हि. प्र. में आयोजित प्रकृति कार्यक्रम पर  
रिपोर्ट

Under Mission Life Program, ICFRE- Himalayan Forest Research Institute, Shimla organized an event on theme "Single Use Plastic Reduced" at Jawahar Navodaya Vidyalaya, Kothipura, Bilaspur, HP on 15<sup>th</sup> February, 2023. A total of 80 students attended the program. Mr. Rajender Pal, Sr. Tech., apprised students about the R&D activities of the Institute. Dr. Vinod Dogra, Chief Technical Officer explained about topic "Single Use Plastic Reduced" through power point presentation. He focused on impacts of plastics on ecology, environment and human health. The students were eager to learn on the subject discussed and their queries were answered by Dr. Dogra. Sh. S.C. Joshi, Principal of the school honoured HFRI representatives by giving mementos. At the end, Mrs. Shailwala (PGT Biology) thanked the visiting team and Director of the Institute for organizing such an important awareness program in their school.

### Glimpses of Activities
