

वन प्रशिक्षण अकादमी हल्द्वानी उत्तराखंड से आए वनरक्षक प्रशिक्षार्थियों के दौरे की रिपोर्ट Report of the visit of Forest Guard Trainees from Forest Training Academy, Haldwani, Uttarakhand (06.06.2023)

A group of forty two forest guard trainees from Forest Training Academy Haldwani, Uttarakhand visited ICFRE-HFRI, Shimla on 6th June, 2023. In the beginning, Dr. Joginder Singh Chauhan, CTO Extension Division extended warm welcome to faculty members and Trainee Forest Guards of academy and informed about programme. Dr. Sandeep Sharma, Director In-charge advised forest guards to play important role in forest conservation as they are important link between people and department. Further, he also stressed that forest field functionaries should document biodiversity and maintain its record so that information can be used for planning and management of forests. Dr. Vaneet Jishtu, Scientist-E informed trainees about research and development activities of the institute. He also acquainted trainees about altitude wise vegetation of northwestern Himalayan region through pictorial presentation. Dr. Jagdish Singh, Scientist-F & Head Extension division explained the aims and objectives of the Mission LiFE and advised Forest Guards trainees to act as nodal persons for disseminating the information and creating awareness about mission life among masses.
