

**ICFRE-LEC, Agartala conducts two days training cum workshop on  
“Bamboo Propagation and Nursery Management”  
At ICFRE-LEC, Agartala  
27<sup>th</sup> -28<sup>th</sup> June, 2023**

Indian Council of Forestry Research & Education - Livelihood Extension Centre, Agartala organized a two days training cum workshop programme on bamboo propagation and nursery management with financial support of Seven Sisters Development Assistance (SeSTA) during 27 and 28 June, 2023.

On 1<sup>st</sup> day of training programme, after the registration of the participants, inaugural session had started with the welcome address of Shri Niren Das, ACTO & Training coordinator, ICFRE-LEC, Agartala followed by the introduction of 45 tribal women representing different SHGs in Jampuijala area. Shri Das briefed the objective and explained the need for the present training programme in his detail presentation in this area.

During the training session, theories as well as demonstrations of the various bamboo propagation and nursery techniques were done in the field. The participants visited to the workshop of Meitai Bamboo Furniture Group, Kalibazar. A field visit to experimental site in Lembucherra of AICRP-2 project was also conducted. Shri Ajay Debbarma, Scientist-B and Co-PI of the project explained the necessity of the management practices of bamboo cultivation.

## Glimpses of the Training Programme
