

Plantation programme at Shoghi Industrial Area under Mission LiFE

#Mission LiFE@ A stakeholder from near Shoghi Industrial Area, requested the HFRI, Shimla to guide him for a tree plantation drive in his property. Dr. Vaneet Jishtu Scientist, accompanied by research staff from the Institute, visited the site. Under the guidance of Dr. Jishtu, the staff of the resort and research staff from HFRI, conducted the tree plantation drive on 5th August, 2023 and planted over 150 tree saplings at the resort and on the nearby hillside. The trees saplings planted included *Quercus floribunda* (moru), *Morus alba* (shahtoot), *Cedrus deodara* (deodar), *Prunus cerasoides* (paja) , *Phyllanthus emblica* (amla), *Terminalia bellirica* (bahera), *Celtis australis* (khirak) and *Cinnamomum tamala* (tez patta).
