

ICFRE LEC AGARTALA CONDUCTS TRAINING ON BAMBOO PROPAGATION, MULTIPLICATION AND EXTENSION OF SMALL BAMBOO NURSERY

ICFRE LEC Agartala organized one day long training on Bamboo Propagation, Multiplication and Extension of Small Bamboo Nursery on 22nd September, 2025 at Kalashi Mukh. A group of 45 persons including different SHGs member, teachers and social workers from different localities in Kalashi Mukh area participated in the training programme.

Inaugural session had started with the welcome address of Shri Niren Das, CTO & Program coordinator, ICFRE-LEC, Agartala followed by the introduction of trainee. Shri Das briefed the objective and need for the present training programme. He delivered a detailed presentation on this topic. During the training period, conducted hands-on demonstration of Bamboo Propagation and macroproliferation methods. Extended the small bamboo nursery beds established at Kalasi Mukh on 25th February, 2025 with participatory approach of local peoples. The practical demonstration was also held for application of vermicompost and vermibed wash in nursery management. An interaction session was also held with the participants and taken participants' feedback.

Glimpses of the Training Program
