Release of Soil Health Card

Release of Technical Bulletin for Distinguishing
D. Sissoo & *D. Latifolia*

Release of Manual on Miyawaki Plantation

Tree Grower Mela

- ICFRE-IFGTB, Coimbatore organized a Tree Grower Mela (TGM) on 17th February 2024 at U.T. of Puducherry, under theme 'Tree Cultivation in Costal Area'. TGM was inaugurated by Shri. C. Jayakumar, Hon'ble Minister for Forests & Wildlife, Puducherry. Various technologies in clonal forestry, package of practice recommended major tree crops, products developed by ICFRE-IFGTB, Coimbatore were displayed to about 575 tree growers, front line staff of Puducherry, Villupuram & Cuddalore forest department, representatives of wood based industries and NGOs .

ICFRE-IFGTB, Coimbatore organized Tree Grower Mela at Puducherry

- ICFRE-HFRI, Shimla organized Kisan Mela on 23rd February 2024 under the theme 'Sustainable Development through Forestry Technologies' at Kalsui, Chamba in collaboration with Krishi Vigyan Kendra, Saru, District, Chamba and was inaugurated by Smt. Kanchan Devi, IFS, DG, ICFRE. Various activities of the institutes was displayed in stalls. About 250 people from different Panchayats of Kalsui, Mehla, Chamba and adjoining areas participated in the event.

ICFRE-HFRI, Shimla organized Kisan Mela at Kalsui, Chamba

Activities performed under Mission LiFE

ICFRE- Himalayan Forest research Institute, Shimla

- A group of 105 students along with faculties from Mizoram university, Aizwal, College of Forestry, Ponnampet, Kodagu, KVS University of Agricultural and Horticultural Science, Shimoga, Karnataka visited ICFRE-HFRI, Shimla on 13th and 23rd February 2024. They were briefed about various activities of Mission LiFE and R&D activities of the institute.

A group of 105 students from various colleges visited ICFRE-HFRI, Shimla

ICFRE- Institute of Forest Genetics & Tree Breeding, Coimbatore

- A group of 163 students along with teachers from PERKS International School, Singanallur and VSV Secondary School Dharapuram visited ICFRE-IFGTB, Coimbatore on 23rd and 28th February 2024. They were sensitized and also briefed about Mission LiFE.

A group of 163 students from PERKS International School, Singanallur and VSV Secondary School Dharapuram briefed about Mission LiFE

Significant Research Finding

ICFRE- Forest Research Institute, Dehradun

- In Meghalaya, exploration of the vegetation in the forest areas of Jorabat, Byrnihat, Nongkrah, and Umiam and the forest areas of East Khasi Hills namely, Lalitlyngkot, Maujrong, Ummdeingpoh, David Scott, Madansohum, Ladmawphlong, Laitryngew, Mawrah and Cherrapunji was carried out. The populations of five hill bamboo species namely *Chimonocalamus griffithianus*, *Drapchnostachyum falcatum*, *Chimnobambusa callosa* (SPAR-IONG), *Yushania hirsutum*, and *Yushania* species were identified (STAW-STEM), and other exotic like *Phyllostachys manii* were also identified (SPAR-STEM). In addition, the associated tree species, namely *Myrica esculenta*, *Pinus kasia*, *Pinus patula*, *Alnus nepalensis*, *Crptomeria japonica*, and *Musa* sp were also noted. Herbarium specimens were also prepared for bamboo species occurring in the surveyed area.

ICFRE- Institute of Forest Productivity, Ranchi

- Identified new point of occurrence of three tree species i.e. *Schima wallichii*, *Aphanamixis polystachya* and *Toona ciliata* in West Bengal.

ICFRE- Institute of Forest Genetics & Tree Breeding, Coimbatore

- Xylia xylocarpa* an important timber species of moist deciduous forests of Western Ghats selected for domestication. Field visits were made in Tamil Nadu and Karnataka for identification of Candidate Plus Trees (CPTs) in Tamil Nadu and Karnataka. Based on the survey, identified 5 CPTs in Tamil Nadu and 10 CPTs in Karnataka for further research activities.

- Phytochemical analysis of *Canarium strictum* leaves using High Performance Liquid Chromatography (HPLC) showed higher phenolic compounds (64.02 %) in male individuals than in the female individuals (41.88%).

- Established Germplasm of *Limonia acidissima* and *Pithecellobium dulce* in Gudular Research station, Maraimalai nagar, Chennai. Established Germplasm of *Limonia acidissima* in Kurumbapatti Research station, Salem and *Pithecellobium dulce* in Neyveli Research station, Salem.

ICFRE- Rain Forest Research Institute, Jorhat

- Prepared the soil health card of 33 Forest Divisions of Assam.

Consultancies

Indian Council of Forestry Research and Education, Dehradun

New Projects Awarded:

- Preparation of R&R Plan for Navulatti Iron Ore Mine, Bellary district, Karnataka, M/s R Praveen Chandra/ERM Group of Companies.
- Ecological Assessment of the River/Streams Passing through the Mine Lease Area of Chandragupt Open Cast Coal Mine with Monitoring of Flora and Fauna mainly dependent on the streams, M/s Sushee Chandragupt Coal Mine Private Limited, Hyderabad.
- Biodiversity Study of Reclaimed OB dump related to Jayant and Krishnashila OCP.

Participation in Exhibition

- ICFRE-IFP, Ranchi participated & installed display stall in Eastern Regional Agricultural Fair 2024 organized by ICAR- National Institute of Secondary Agriculture, Namkum on 3rd to 5th February 2024 at Dyankel, Tohpa, Khurdi and showcased various R&D activities of institute.

ICFRE-IFP, Ranchi installed a stall in Eastern Regional Agriculture Fair

- ICFRE-IWST, Bengaluru participated & installed display stall in India Wood Exhibition organized by Nurnberg Messe India Pvt. Ltd. on 22nd to 26th February 2024 at Bangalore International Exhibition Center, Bengaluru.

ICFRE-IWST, Bengaluru installed Display stall in India Wood Exhibition

Activities under Van Vigyan Kendra

ICFRE- Rain Forest Research Institute, Jorhat

• Training programme on “Bamboo & Rattan Handicrafts” was organized by ICFRE- Forest Research Centre for Bamboo & Rattan, Aizwal from 5th to 7th February 2024 under VVK. 20 farmers from Bethlehem Vengthlang and Armed Veng, Aizwal participated in the programme.

ICFRE-(FRC-BR), Aizwal organized a training on Bamboo & Rattan Handicrafts under VVK

• Training programme on “Mushroom Cultivation” was organized by ICFRE- Forest Research Centre for Bamboo & Rattan, Aizwal from 14th to 16th February 2024 under VVK. 24 farmers from Bethlehem Vengthlang, Armed Veng South, Aizwal participated in the programme.

ICFRE-(FRC-BR), Aizwal organized a training on Mushroom Cultivation under VVK

ICFRE- Tropical Forest Research Institute, Jabalpur

• Skill Development Training on NTFPs Value Addition was organized by ICFRE- Tropical Forest Research Institute, Jabalpur from 22nd to 23rd February 2024 under VVK. 41 women SHG's of Jirlinga, Sarna, Rukhmani, Farishta, Dharochar and Chinddwara (M.P) participated in the programme.

ICFRE-TFRI, Jabalpur organized a training on NTFP's Value Addition under VVK

Workshops/Seminars/Meetings

ICFRE- Himalayan Forest research Institute, Shimla

1. Research Advisory Committee (RAC)	6 th February 2024	Scientists, Researchers and Technical staff
2. Genetic Improvement of Seabuckthorn: Current Status and Future Strategies	29 th February 2024	49 participants including Scientists, Technical staff and Research staff

ICFRE- Institute of Wood Science and Technology, Bengaluru

- | | | |
|---|--------------------------------|---|
| 3. Improving manufacturing of Bamboo products to Advance the bamboo sector in India | 22 nd February 2024 | Bamboo Artisan |
| 4. Future Perspectives of M/s. Mass Timber Construction in India | 26 th February 2024 | Center of Excellence for The Wood Industry- CENAMAD Team from Chile |
-

ICFRE- Institute of Forest Genetics & Tree Breeding, Coimbatore

- | | | |
|--|--------------------------------|---|
| 5. Pongamia cultivation for Biofuel utility | 16 th February 2024 | 50 participants including Seed Traders, Oil Millers, Farmers, TNAU Professors and Students |
| 6. The possibilities of Collaborative Research | 5 th February 2024 | Director, Scientists & Group Coordinators and Officials from The International Union for Conservation of Nature(IUCN), Western Ghats Plant Specialist Group & Key Stone |
-

ICFRE-IFGTB, Coimbatore organized a meeting on Possibilities of Collaborative Research

Training Programmes

Indian Council of Forestry Research and Education, Dehradun

- | | | |
|---|---|---|
| 1. Environmental Impact Assessment and Evidence Based Decision Making | 5 th to 7 th February 20 24 | 30 State Govt. Class-I/Group-A Officers from Uttarakhand, Himachal Pradesh, Punjab, Uttar Pradesh |
| 2. Ecology and Biodiversity | 26 th February to 1 st March 2024 | 20 Executives of Central Coalfield Limited, Ranchi |
-

ICFRE, Headquarter organized a training on Environmental Impact Based Decision Making

ICFRE, Headquarter organized a training on Ecology and Biodiversity

3. Drones and its application	12 th to 16 th February 2024	IFS Officers
4. e-office	28 th February 2024	IFS officers, Administrative staff, Technical officers and staff of ICFRE institute

ICFRE- Forest Research Institute, Dehradun

5. Making of Bamboo Handicrafts	29 th January to 9 th February 2024	21 participants from Umedpur, Dehradun with assistance from Gangotri Kausal Vikas Evam Uthan Samiti (NGO)
---------------------------------	--	---

ICFRE-FRI, Dehradun organized a training on Making Bamboo Handicrafts

6. Biofertilizer and its application under Agroforestry	21 st to 23 rd February 2024	29 participants of Frontline staff, Punjab Forest Department and Farmers.
7. Nursery management and value addition bamboo technologies	5 th to 9 th February 2024	30 women farmers and artisans

8. Office Procedure, handling office correspondence, noting & drafting service establishment rules
- 19th to 21st February 2024
- 25 Administrative staffs from ICFRE and all of its institutes

ICFRE- Tropical Forest Research Institute, Jabalpur

9. The Methodology for collection of Forest Soil for preparation of SHC, management of nutrients and application of optimum level of fertilizers in the soil of Madhya Pradesh
- 1st February 2024
- 100 Forest range officers and Deputy rangers from 15 Forest Division of (M.P.)

10. Agroforestry Models and its Management for livelihood Security
- 13th to 15th February 2024
- 07 IFS Officers

ICFRE- TFRI, Jabalpur organized a training on The Methodology for collection of Forest Soil

ICFRE- TFRI, Jabalpur organized a training on Agroforestry Models and its Management For Livelihood Security

11. Utilization of Flyash in Forestry Sector vis-à-vis Climate Change and Land Degradation
- 21st to 23rd February 2024
- 17 Officers from Adani Power Limited

ICFRE- TFRI, Jabalpur organized a training on Utilization of Flyash in forestry Sector

-
12. Capacity Building Programme for the Officials of Madhya Pradesh State Forest Department for Promoting Soil Test Based Nutrient Management Practices 1st February 2024 120 Officials of State Forest Department, Madhya Pradesh
-

ICFRE- Institute of Forest Productivity, Ranchi

13. Honeybee Management and Honey Production 13th February 2024 70 Farmers of the village Kutam, Torpa, Khunti
-

ICFRE- IFP, Ranchi organized a training on Honeybee Management and Honey Production

ICFRE- Himalayan Forest Research Institute, Shimla

14. Application of mycorrhizal biofertilizers in organic farming 24th February 2024 70 progressive farmers
-

ICFRE- Institute of Forest Biodiversity, Hyderabad

15. Strengthening the institutional capacity on the Mangrove conservation 29th February 2024 30 Andhra Pradesh State Forest Department
-

ICFRE- Institute of Wood Science and Technology, Bengaluru

16. Red sanders – Lord's own tree 6th to 8th February 2024 37 participants from Judicial Officers of Mumbai High court; Veterinary Doctors, Department of Animal Husbandry, Tamil Nadu; Additional/Joint Commissioners of Income tax; Agricultural Officers from Directorate of Agriculture, Tamil and others
-

- | | | |
|--|---|---|
| 17. Wood Polymer Composite | 14 th to 16 th
February 2024 | 16 participants including Wood Researchers, students, Industry and academics |
| 18 Sensitization program on forestry and wood science, training on vocational woodworking and raising of plant nursery | 28 th February
2024 | 23 officials from Regional Training Center of Indian Audit and Accounts Dept. Bangalore |

ICFRE- IWST, Bengaluru organized a training on Wood Polymer Composite

ICFRE- IWST, Bengaluru organized a training on Vocational Woodworking and Raising of Plant Nursery

ICFRE- Institute of Forest Genetics & Tree Breeding, Coimbatore

- | | | |
|--|--|-----------------------------|
| 19. Basic Techniques in Plant Molecular Biology | 29 th January to
2 nd February 2024 | 15 Technical staff of ICFRE |
| 20. Junior Rangers – Connecting Students with Nature | 20 th to 22 nd
February 2024 | 30 Govt. School students |

ICFRE- IFGTB, Coimbatore conducted a training on Basic Techniques in Plant Molecular Biology

ICFRE- IFGTB, Coimbatore organized a training on Junior Ranger

- | | | |
|---|--------------------------------|---|
| 21. Cultivation techniques of Commercially Important Tree Species | 29 th February 2024 | 26 forest officials of TNFD viz., Forestry Extension Officer, Range Officer, & Forester |
|---|--------------------------------|---|

- | | | |
|--|---|---|
| 22. Cultivation techniques of Commercially Important Tree Species | 29 th February 2024 | 26 forest officials of TNFD viz., Forestry Extension Officer, Range Officer, & Forester |
| 23. Learning different concepts of Genetics and Tree Improvements, Plants Biotechnology, Forest Genetics Resource and Management for improving Wood Productivity | 5 th to 7 th
February 2024 | 38 Newly Recruited Scientists of the ICFRE |

ICFRE- IFGTB, Coimbatore organized a training on Cultivation techniques of Commercially Important Tree Species

ICFRE- IFGTB, Coimbatore organized a training on Concepts of Genetics and Tree Improvements, etc.

- | | | |
|---|--------------------------------|---|
| 24. Characterization of Forest Genetic Resources and its Conservation | 16 th February 2024 | 21 PG students from Department of Botany, Vellalar College for Women, Erode |
|---|--------------------------------|---|

ICFRE- Rain Forest Research Institute, Jorhat

- | | | |
|---|---|--|
| 25. Skill Development Training on Agarwood Cultivation and Artificial Inoculation | 30 th January to 1 st February 2024 | 7 progressive farmers |
| 26. Forest Based Livelihood Opportunities | 19 th to 20 th
February 2024 | 48 Participants from Northern Range Salona |

ICFRE- RFRI, Jorhat conducted a training on Agarwood Cultivation and Artificial Inoculation

ICFRE- RFRI, Jorhat organized a training on Forest Based Livelihood Opportunities

27. Mushroom Cultivation

22nd to 23rd
February 2024

42 women's and farmers from Charingia
Gaon

ICFRE- RFRI, Jorhat conducted two days training on Mushroom Cultivation

Memorandum of Understanding

• Memorandum of Understanding (MoU) signed on 12th February 2024 between ICFRE- IFGTB, Coimbatore and Andhra Paper Mill for implementing Collaborative project to increase Wood Production in catchment area of the Mill in Andhra Pradesh.

• Memorandum of Understanding (MoU) signed on 28th February 2024 between ICFRE-RFRI, Jorhat and CSB- Central Muga Eri Research and Training Institute, Jorhat (Assam). As a part of the on-going Bharat Tex 2024 and on the sidelines of an International Conference on Global Scenario and Sustainable Solutions in Silk Industry.

MoU signed between ICFRE-IFGTB, Coimbatore and Andhra Paper Mill

MoU signed between ICFRE-RFRI, Jorhat and Central Muga Eri Research and Training Institute, Jorhat, Assam

Prakriti Programme

ICFRE- Forest Research Institute, Dehradun

- A group of 43 students from Kendriya Vidhyalaya and Jawahar Navodaya Vidhyalaya participated in a painting competition on the theme “Forests and Innovation” organized by ICFRE-FRI, Dehradun on 12th February 2024. They were encouraged about Lifestyles for Healthy Environment.

Students from Kendriya Vidhyalaya and Jawahar Navodaya Vidhyalaya participated in painting competition

ICFRE- Institute of Forest Biodiversity, Hyderabad

- A group of 110 students along with their teachers from Kendriya Vidhyalaya Sangathan, Steel Plant, Vishakhapatnam, Andhra Pradesh participated in Awareness Programme under Prakriti organized by ICFRE-CEE, Vishakhapatnam on 12th February 2024.

Students from Kendriya Vidhyalaya Sangathan, Steel plant Vishakhapatnam, Andhra Pradesh

ICFRE- Institute of Wood Science and Technology, Bengaluru

- 151 students along with teachers from Samsidh International School, Vidyaranyapura, Bengaluru, SharadaVidya Public School, T. Dasarahalli, Bengaluru, Cluny Convent, Malleswaram, Bengaluru, and

Malleshwaram, Bengaluru visited Tissue Culture Lab, Xylarium, Wood Workshop, Wood Museum and Advanced wood Working Centre at ICFRE-IWST, Bengaluru on 2nd, 5th, 9th and 24th February 2024.

Students from Sharada Vidya Public School, T. Dasarahalli, Bengaluru visited ICFRE-IWST, Bengaluru

ICFRE- Tropical Forest Research Institute, Jabalpur

- 260 students from PM Shri. K.V. Pandhurma, Chnindwara(MP), and K.V. Dindori visited ICFRE-TFRI, Jabalpur from 9th, 14th, 15th, 16th, 20th and 22nd February 2024.

Students from PM Shri K.V. Pandhurma Chnidwara (MP) visited ICFRE-TFRI, Jabalpur

ICFRE- Institute of Forest Genetics & Tree Breeding, Coimbatore

- 557 students along with teachers from Government Higher Secondary School, Ganapathy, Coimbatore, Victory Vidhyalaya Matriculation Higher Secondary School, Coimbatore, CMS Vidhya Mandir Matriculation Higher Secondary School, Sri Chaitanya Techno School and Karamadai Higher Secondary School, Coimbatore participated in student connect programme under Prakriti Programme conducted by ICFRE-IFGTB, Coimbatore from 5th, 7th, 9th, 14th, 19th and 26th February 2024. Lecture on Wild Conservation, Plant Diversity of India and its

importance, Orchids of Annamalai hills and its significance, Recycling of waste management, Conservation of water and Nature Education connecting of students with natures were delivered to students.

Students along with teachers from Coimbatore Holy Matriculation Higher Secondary schools and PSG Public School visited ICFRE-IFGTB, Coimbatore

• 30 students along with teachers from Government High School, Thollampalayam and Government Higher Secondary School, Karamadai participated in Environment and Nature Conservation to Baijalikadu Ecotourism under Prakriti Programme on 26th February 2024 organized by ICFRE-IFGTB, Coimbatore. They were briefed about the Western Ghats and Nilgiri Biosphere Reserve and its concepts and functions. They were also explained about Tangible and Intangible benefits of forest to the mankind.

ICFRE-IFGTB, Coimbatore organized Environment and Nature Conservation programme under Prakriti Programme

ICFRE- Rain Forest Research Institute, Jorhat

• 191 students from Jawahar Navodaya Vidhyalaya, Dibrugarh and Dergaon Girls HS School Dergaon, Golaghat (Assam) participated in 'Science Camp' organized by ICFRE-RFRI, Jorhat on 6th, 26th and 28th February 2024.

Awareness and Demonstration Programme

ICFRE- Tropical Forest Research Institute, Jabalpur

• 429 students from Shri Ram College, Adani Group and Sau Vasudhatai Deshmukh College of Agriculture on 7th and 26th February 2024. A lecture on Sustainable development was also delivered to the students.

Students from Sri Ram College visited ICFRE-TFRI, Jabalpur

ICFRE- Rain Forest Research Institute, Jorhat

• 180 students along with faculties from Institutions from Culture and Rural Development (ICARD), Baghchung, Lichubari, Jorhat, Bamboo Artisans from Karanga, FEEDS Group of Institution, Hengbung, Manipur, Gaurisagar HS Industrial Institute, Gaurisagar, Assam, Karnataka Forest Academy and Ayush Institute of Dakhinpat Satra, Jorhat visited ICFRE-RFRI, Jorhat on 2nd, 9th, 20th, 21st and 26th February 2024. They were briefed about overview of the research activities of the institute, Bamboo Cultivation, Propagation, Nursery Management, Value addition & bamboo preservation techniques, Biotechnology and Tissue Culture, identification of wild edible Mushroom, Lac Cultivation and Vermicomposting, Agar plantation.

ICFRE- Institute of Wood Science and Technology, Bengaluru

- 78 students along with faculties from The American College Madurai, Tamilnadu, Sir Syed College Kannuru University, Kerala, and Kannuru University, Kerala visited Tissue Culture Lab, Xylarium, Wood Workshop, Wood Museum and Advanced wood Working Centre at ICFRE-IWST, Bengaluru on 16th, 21st and 26th February 2024.

Students from Sri Shyed College Kannuru visited ICFRE-IWST, Bengaluru

Students along with faculties from Gaurisagar HS Industrial Institute, Gaurisagar, Assam and Ayush Institute of Dakhinpat Satra visited ICFRE-RFRI, Jorhat

ICFRE- Himalayan Forest Research Institute, Shimla

- 72 students along with their faculty from College of Forestry, Ponnampet, Kodagu and KVS University of Agriculture and Horticulture Science, Shimoga, Karanataka visited ICFRE-HFRI, Shimla on 7th February 2024. They were briefed about R&D activities of the institutes.

Students along with faculties from College of Forestry, Ponnampet visited ICFRE-HFRI, Shimla

Visit to Institutes

- Dr. Md. Khairul Alam, Former Chief Research Officer, Md. Farid Uddin Ahmed, Former Member Director (NRM) and Md. Jahangir Alam, former Research Officer, Bangladesh Forest Research Institute, Chittagong, Bangladesh visited ICFRE-RFRI, Jorhat on 26th February 2024. Interaction with officers and scientists was held regarding research activities carried out by the institute.

Dignitaries from Bangladesh Forest Research Institute, Chittagong, Bangladesh visited ICFRE-RFRI, Jorhat

Rajbhasha Activity

- Hindi workshop was organized by ICFRE, Dehradun and ICFRE- HFRI, Shimla on 23rd & 28th February 2024. A lecture on various aspects of the official language was also delivered to all the scientists, officers, technical and administrative staff of the institute.

Hindi Workshop organized by ICFRE Headquarter and ICFRE-HFRI, Shimla

Miscellaneous

- World Wetland Day celebrated by ICFRE-FRI, Dehradun, ICFRE-IFB, Hyderabad and ICFRE- IFGTB, Coimbatore on 2nd February 2024.

World Wetland Day Celebrated by ICFRE-FRI, Dehradun, ICFRE-IFB, Hyderabad and ICFRE-IFGTB, Coimbatore

- National Science Day celebrated by ICFRE-FRI, Dehradun, ICFRE- RFRI, Jorhat and ICFRE-IWST, Bengaluru on 28th February 2024.

National Science Day Celebrated by ICFRE- FRI, Dehradun , ICFRE-RFRI, Jorhat and ICFRE-IWST, Bengaluru
