

Minutes of One Day Inception Workshop cum Meeting on “Monitoring of NTPC Accelerated Afforestation Programme of Plantation of Trees in the State of Bihar”

A one day inception workshop on “Monitoring of NTPC Accelerated Afforestation Programme of Plantation of Trees in the State of Bihar” was organized on 27.04.2017 at Arnaya Bhavan, Patna under the chairmanship of Dr. DK Shukla, Principle Chief Conservator of Forest (HOFF), Bihar. Sh. Sanjeev Kumar, Scientist-D, Institute of Forest Productivity, Ranchi, welcomed the delegates from State forest Department and National Thermal Power Corporation Ltd., Patna. Dr S A Ansari, Director, Institute of Forest Productivity, Ranchi, gave the inaugural address and a brief about the objectives and scope of the programme. Sh. Sanjeev Kumar gave a presentation on tentative approach and methodology to be adopted for monitoring of plantations in the state of Bihar. In the meeting, the information needed from the state forest department and formats for data collection were discussed.
