

RFRI observed World Ozone Day

Rain Forest Research Institute, Jorhat observed “World Ozone Day” on 17th September, 2017 in the Conference Hall of the Institute. Dr. R.S.C. Jayaraj, Director, RFRI, Jorhat welcomed all the Scientists, Forest Officers, Research Fellows, family members. Expressing deep concern on the depletion of Ozone layer due to human activities, he appealed all for judicious use of natural resources. He requested everyone not to use plastic, polythene and reduce the use of appliances where Chlorofluorocarbons are used. Besides this he stressed on the need of awareness among the masses.

On the occasion, one special presentation was organized which was delivered by Dr. Manish Kumar Singh, Scientist-C of the Institute. Dr. Singh discussed various issues related to the Ozone such as what is ozone, its formation, importance, the causes of its depletion, etc. He discussed about the Vienna Amendment & Montreal Protocol and the causes behind the Ozone depletion. He also discussed about the effective control measures for preventing its depletion.

Glimpses of World Ozone Day Celebration
