

## Republic Day at RFRI, Jorhat

Along with the Nation, the 68th Republic Day was celebrated in the Rain Forest Research Institute, Jorhat, Assam. Dr RSC Jayaraj, Director, unfurled the National Flag with a speech addressing the staff, Officers and their family members, followed by National Anthem. He urged the staff and scientists to work with greater speed and enthusiasm, so that the goals enshrined in the Constitution are achieved. A parade was conducted by the Home Guards in honour of the National Flag. After the ceremony, the officials of the institute and their family members along with the school children participated in various sport events organized followed by prize distribution to the winners.
