

### **RFRI Conducts Exposure Visit of Soil Conservation Trainees from Meghalaya**

A group of 32 Trainees from Soil Conservation Training Institute, Burnihat visited Rain Forest Research Institute, Jorhat (Assam) on 7<sup>th</sup> April, 2017 as part of their educational excursion to upper Assam. The Trainees are presently undergoing training at Soil Conservation Training Institute, Burnihat. The Trainees were basically from states of Assam and Meghalaya.

Sri R. K. Kalita, Training Coordinator welcomed the Trainees and delivered a detailed presentation of the Institute. He apprised the Trainees about various research and extension activities of the Institute.

The presentation was followed by visit to field where the Trainees were exposed to nursery practices, particularly bamboo propagation techniques. They also visited RFRI Bambusetum and Bamboo Composite Centre where they were explained about various entrepreneurial activities undertaken by the Institute.
