FOREST RESEARCH CENTRE FOR ECO-REHABILITATION PRAYAGRAJ

REPUBLIC DAY CELEBRATION AT FRCER PRAYAGRAJ

72th Republic Day of the country was celebrated at Forest Research Centre Prayagraj with unfurling of tricolour by Dr. Sanjay Singh Scientist-F and Head in presence of officials, staff and scholars of the Centre.

Speaking on the occasion Dr. Singh said that the Constitution of India encourages the citizens of India to have a sense of scientific temper. According to the Fundamental Duties under Article 51 A (h): [It shall be the duty of every citizen of India] to develop scientific temper, humanism and the spirit of inquiry and reform. Thus, the forestry scientist and researchers have an enhanced responsibility to act as torch bearers for the society to promote the values of environment and forest conservation which is also enshrined in the Constitution.

It was followed by a cultural program containing speeches, songs and poems on patriotism by staff and students.
