

Official Language Training workshop at Indian Council of Forestry Research & Education

A Hindi Training Workshop was organized under the aegis of ICFRE on 17 February 2021. Shri Satya Prakash, Director (Official Language), Ministry of Environment, Forest and Climate Change, Government of India was the Guest of Honour of the workshop. Dr. Sudhir Kumar, Deputy Director General (Extension) and Dr. Geeta Joshi, Assistant Director General (Media and Extension) were graced the dais in the workshop. Officers and personnel of various divisions and offices of the Council (Headquarters) also participated in this workshop.

In the workshop, Shri Satya Prakash elucidated the course of development of Hindi as an official language. He told that there are five major elements of nation building, one of which is the official language. The Official Language, he emphasized, plays a vital role in the development of a nation. He also highlighted the importance of the Parliamentary Committees on Official Language and discussed in detail various Acts and Rules in connection with Official Language.

Shri Satya Prakash, emphasized the use of popular and simple words of official language in day to day official work i.e. correspondence, noting, translation etc. While discussing translation in the office environment, he said that the word to word translation should be avoided. He suggested using the words diligently during translation.

At the conclusion of the workshop, Dr. Geeta Joshi, Assistant Director General (Media and Extension) thanked Shri Satya Prakash Ji and also the participants.
