Sub.: Request for quotation for development of multiuser information system.

Sir / Madam

We request you to submit your quotation for development of multi user interactive information system software based on system dot net and SQL for aggregation, saving and management for data obtained from different sources. The application should work on Institute's LAN including configuration of SQL Server as backend, development of GUI interface for query based report generation, configuration of application software for its application over LAN. It should have user friendly data entry forms and should generate reports based on simple keys.

Quotations may be submitted on or before 1400 Hrs. (IST) on November 20, 2019 via Courier/ mail/by hand to the office address after labelling the cover as:- "Quotation for software development". Kindly ensure that your quotation will reach the address above on or before the deadline. Quotations that are received by IFP after the deadline indicated above, for what so ever reason shall not be considered for evaluation.

(Store & Purchase Officer)

Copy to
